Dear Mrs Trueman

Monthly progress update – December 2022.

The below provides the monthly progress update for November 2022 as requested by the Inspectors in their letter dated 11th October 2022.

1. The interim planning consultant appointed to the planning policy team continues to assist with various pieces of work including the Inspectors Requests. These are progressing well, and a full update of this work will be provided in the January update.
2. The Council is currently reviewing other vacant posts within the planning policy team and will be recruiting in the New Year.
3. Statements of Common Ground continue to be progressed between the District Council and neighbouring Local Planning Authorities.

Yours sincerely
