

P

Looking for somewhere to park?

This map details alternative car parks all within a short distance of Lichfield City centre. Across our car parks we have around 1400 short stay and long stay spaces available.

Please note these facilities include both council operated car parks and those managed by the Three Spires Shopping Centre.

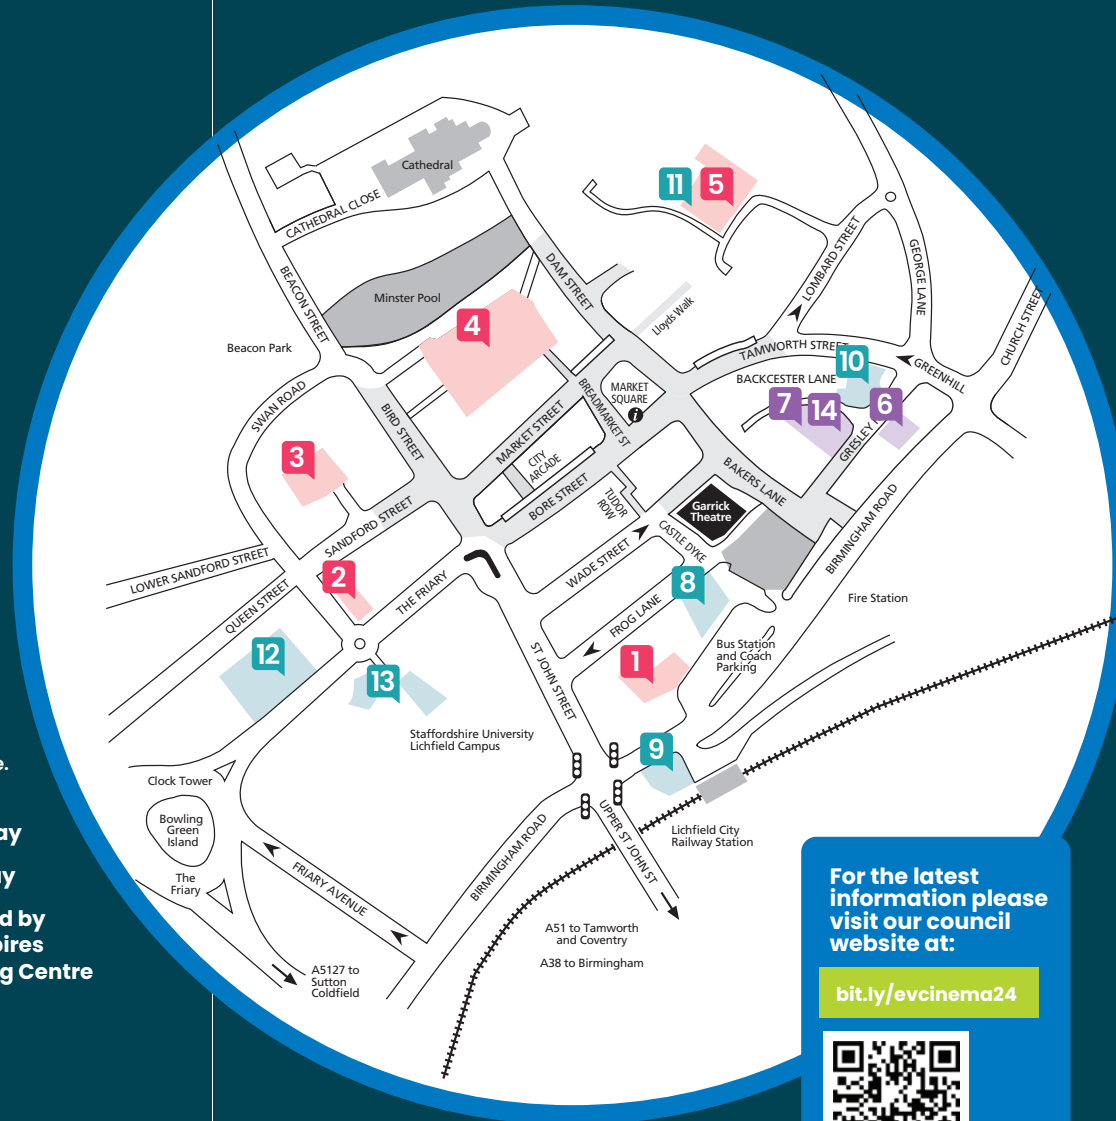

Blue Badge holders

Blue Badge holders can park in any bay in council-operated car parks for free at all times.

Car parks operated by the Three Spires Shopping Centre require payment for ALL cars and bays as they use automatic number plate recognition (ANPR) software.

- Short Stay
- Long Stay
- Operated by Three Spires Shopping Centre
