# 1. Introduction and purpose of the schedule

- 1.1 This schedule has been prepared to supplement the councils [Employment Land Availability Assessment](#) (ELAA) 2024. The schedule lists all completed sites and sites with planning permission which are below the thresholds used within the ELAA.
- 1.2 The of the methodology section of the ELAA sets out the thresholds which have been applied to that assessment. These thresholds are consistent with guidance contained within the [National Planning Practice Guidance](#) (PPG). The PPG advocates that the land availability assessments should consider all economic development sites of 0.25 hectares (or 500m<sup>2</sup> of floor space) and above.
- 1.3 This schedule includes all sites which have extant planning permission for employment based developments (within the employment use classes E, B2, B8<sup>1</sup>) which fall below the thresholds. Alongside these small site commitments the schedule presents all completions for employment development which have taken place between 2008 and 2024. Completions are presented on a year-by-year basis at [Appendix A](#).
- 1.4 Alongside the ELAA this schedule is designed to provide a comprehensive assessment of employment land within Lichfield District.
- 1.5 The sites in this schedule be viewed using the interactive map on the council's website which can be viewed via the [Land availability assessment interactive map](#).

---

<sup>1</sup> Where planning permissions have been granted prior to the publication of amendments Use Class Order on 1 September 2020 the previous use class order will be used.

## 2. Small site and completion schedule

2.1 Table 1 (below) provides the schedule of employment land small sites and sites which have been completed.

Table 1: Small site and completion schedule

Site ID	Site name	Area (Ha)	Floor space (m <sup>2</sup> )	Use class	Status	Year complete
1	Industrial unit, Lion's Den, Hammerwich	0.15	410	B2	Complete	2020-2021
