Dear Sirs

**Application for designation of Neighbourhood Areas Fradley and Streethay**

Fradley and Streethay Parish Council resolved, at its meetings in March and April, to apply for neighbourhood designations for both Fradley and Streethay. It is basing this application on the old parish boundaries for the two areas.

The Council and the Neighbourhood Plan Steering Group believes that, although both Fradley and Streethay may face similar challenges from the proposed HS2, it is nevertheless appropriate to treat them separately, as the likely development in Streethay and Fradley may differ markedly.

Fradley has seen industrial, retail and residential development over recent years. Streethay has few commercial interests and seems set to remain predominantly residential, with a strongly rooted sense of identity. The variances in potential development and the disparate community identities has convinced the Council and the Neighbourhood Plan Steering Group that it is appropriate to resort to the former, separate, parishes of Streethay and Fradley for designation

The Parish Council is a relevant body for the purposes of section 61G of the 1990 Act and requests that Lichfield District Council designates the areas defined in the attached plans.

Yours faithfully

Viv Evans (Mrs)  
Clerk to Fradley and Streethay Parish Council
